EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Gnuse on 10/17/03.

The application has been amended as follows:

In claim 1 line 3, after "a tubular sheath made of filtering material", - - selected from a tow or sheet of cellulose acetate fibers - - was inserted.

The following is an examiner's statement of reasons for allowance: The primary reason for allowance is that the cited prior art fails to disclose or reasonably suggest a sheath made of a filtering material selected from tow or sheet of cellulose acetate fibers in combination with the claimed cigarette filter assembly.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Carlos Lopez whose telephone number is (703) 605-1174. The examiner can normally be reached on Mon.-Fri. 8am - 5pm.
